

# **Theological Education by Extension in Zambia**

*An Ecumenical Program of Several Churches*

## **2021-2023 Resource Mobilization**

**Programme/Projects Implementation**

**Facing the Future with Hope and Determination**

# Introductions

- TEEZ has diversified its resource mobilization strategy. This has been integrated into 'reshaping the future of TEE through Church and Community Service.
- All these activities embraces partners support, churches contributions through students course fees and our local resource envelopes of income generating activities.
- Note that ALL social programs are financed by TEEZ at no cost to the beneficiary while congregation based programs are financed by individuals and their Churches

# How are We Moving?

- TEEZ has secured part of financial support for the period 2021 to 2023.
- Our 2021 funding projection now stands at 60% of our annual budget. We are now in the process of signing grants contracts.
- We are also anticipating further grants support from other grants proposal applications made so far.
- We have so far submitted 14 project proposals and 10 expression of interest to potential partners.

# Where Are We?

During the start of the year 2021 our resource mobilisation faced a number of setbacks.

This setback has since been overcome as can be seen from the resource mobilization outlook:

# Resource Mobilisation Strategy

Our tagline still remains relevant as ‘Innovation, Transition & Transformation’

- Resource Mobilization at the TEEZ Secretariat is an ongoing process as this is the only way to enhance continued funding towards the Ecumenical Work of building healthy , vibrant Churches and Communities in Zambia and beyond
